Concurrent Credit

Concurrent credit is a great way for high school students to earn both college and high school credit simultaneously. Concurrent enrollment is the enrollment of a high school student in post-secondary education for high school and college-level credit (1000 and 2000 level courses). This program is designed for students in grades 9th-12th. Students apply for admission to UA-EACC and once admitted, have the opportunity to take full advantage of this opportunity to learn. UA-EACC will provide qualified instructors at your school or online, or the school district may provide appropriately credentialed instructors according to the Arkansas Division of Higher Education (ADHE) standards.

Make your summer count with the Concurrent Credit Summer Tuition Waiver!

UA-EACC has established a tuition waiver for summer coursework to students who have successfully completed at least six (6) credit hours in UA-East Arkansas Community College's Concurrent Credit. The waiver may cover up to one class per summer term.

For more information on concurrent classes, call 870-633-4480, ext. 407 or email tbonds@uaeacc.edu

Secondary Career Center

UA-EACC's Secondary Career Center assists high school students in making more informed career choices. Students select a technical program of study based on their aptitude and interest. ESCC prepares students for the world of work upon high school graduation. Programs teach students marketable skills and lead to professional certifications, certificates of proficiency, or technical certificates. Students are encouraged to continue their education after high school. ESCC classes are credited at both the high school and college level, and students acquire college credits while in high school which will count toward a degree, certificate, or advanced certification program.

Secondary Career Center Areas of Study:

Automotive Service Technology, Diesel Service Technology, Industrial Equipment Technology, Medical Professions, Practical Nursing, Refrigeration and Heat Exchange Technology, and Welding Technology

For more information on the Secondary Career Center, call 870-633-4480, ext. 296 or email vstewart@uaeacc.edu

A 100% refund is given when a course is cancelled by the College. UA-EACC reserves the right to cancel any class due to insufficient enrollment. Refund checks are usually mailed within two to three weeks.

Refunds

A transferable voucher may be given for the amount of the class if a student cancels 48 hours prior to the start of the class. *Excludes Summer Enrichment Camp*

Special Registration Offer

Register for 3 or more Kids on Campus classes at one time and receive 15% off! This offer applies to Summer 2026 Kids on Campus classes only. Offer excludes Summer Enrichment Camp. Discount is only available by registering and paying for 3 or more classes in one transaction. Discount is not transferable or cumulative.
