

**University of Arkansas
East Arkansas Community College
Technical Certificate in Community Paramedic**

The Certificate of Proficiency in Community Paramedic prepares active paramedics to fill identified gaps in healthcare in rural communities. Expansion of the paramedic's role allows for healthcare services to reach those where access to physicians, clinics, or hospitals may be difficult or unobtainable. Students will gain knowledge in areas of primary care, prevention and wellness, public health, mental health, and readmission prevention.
