

**University of Arkansas
East Arkansas Community College
Technical Certificate in Practical Nursing**

The UA-EACC Practical Nursing Program is a 10-month program designed to prepare students to deliver safe, compassionate, and competent care across a variety of healthcare settings, including hospitals, long-term care facilities, and community clinics. The program emphasizes therapeutic communication, cultural sensitivity, and the application of the Nursing Process, while fostering a strong foundation for lifelong learning. Graduates are equipped with the knowledge and skills needed to adapt to the evolving healthcare environment and grow professionally as valued members of the healthcare team.
